## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-25 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to teach either singly or in combination a scanning optical microscope comprising a first light modulation member for imparting shade to the converged linear light, the first light modulation member being disposed with regard to the one lens such that the linear light is incident on the first light modulation member and at least one lens for forming the light to which the shade has been imparted as a parallel light, and at least one lens for focusing the light to which the shade has been imparted to the sample body regarding claim (1).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Don Williams whose telephone number is 571-272-8538. The examiner can normally be reached on 8:30a.m. to 5:30p.m..
